RÉSUMÉ PROFILE

Outstanding student with experience in computer science, mathematics and entrepreneurship.

EDUCATION

Completed three years at the Cambridge School of Weston, Weston, MA
Graduation date: June 2017.

EXPERIENCE

Freelancer, www.evanmays.com

- **Aug 2013 - present.** Develop software solutions, design client websites, create website backends, manage hosting and teach clients how to use social media. Work with a broad spectrum of clients including individuals and not-for-profit organizations.

Teaching Assistant, All Star Code Summer Intensive

- **June 2016 - Aug 2016.** Assisted in the instruction of 20 high school boys in All Star Code's Computer Science Curriculum. Provided one on one support with students using classroom management skills. Lead lectures and workshops. Developed curriculum. Managed onsite equipment, supplies, and other classroom logistics in coordination with the rest of the instructional team.

Startup Founder, Beatwealth

- **June 2013 - April 2015.** Solo founder. Created Beatwealth, a platform where music producers sell their music. Developed web-based platforms allowing clients to market, distribute and sell their music. Maintained a consistent client base.

Scholar, All Star Code Summer Intensive

- **July 2015 - Aug 2015.** Learned Python, CSS, Java, Swift, and Arduino Coding, among other languages. Applied languages learned through game development, website development, and product development. Developed startup pitch presentation skills and soft skills.

Skills

Programming - Web development, Web designing, Smartphone App development, Python, Java, PHP

Languages – English, Mandarin

Software – Microsoft Office Suite, Adobe Design Suite
